PRESS RELEASE

December 7, 1981

TIM HEANEY NAMED TO ALL-CANADIAN DREAM TEAM

Tim Heaney of Concordia University has been named to the 1981 Canadian Interuniversity Athletic Union All-Canadian Team. The 6'0, 165 lb. sweeper helped to give the Stingers the best defensive record in the Quebec University Athletic Association as the young Stinger allowed only 12 goals in as many games en route to the regular season league championship.

The Concordia Stingers posted a 9-1-2 record to win both the Coupe de Québec and the Q.U.A.A. regular season championships. However, the season ended abruptly for the Stingers as they were defeated 1-0 by the McGill Redmen in a sudden death playoff game. McGill then went on to defeat St. Mary's and Alberta.

The second year Engineering student formerly played and captained for the Lake of Two Mountains High School and Dawson College squads. Tim,

who was named "Most Valuable Player" in his final year at Dawson, also played for the Quebec Selects. Concordia's head coach, Harry Huss noted that Tim was a worthy selection for National honours. "Tim is a talented player, whose knowledge of the game and attitude makes him one of the best players I have coached in my ten years at Concordia." The All-Canadian team is selected by a panel of University coaches from throughout the country in conjunction with the C.I.A.U..
